Dan can you set up the nerds entry. This is for a mailbox in regards to the Durango response. See below. I got an out of office from Adrea and I think john is still on leave.

Hey Adrea there is a request for a mailbox for Gold King Mine claims sitting in the tier 3 remedy bucket waiting for nerds. Is John still on leave? Is so can you send it to Dan? The attorneys are pushing for the public to email that mailbox for claims. It's waiting for Nerds.
